### **Friend of Glen Echo Park Award The Honorable Chris Van Hollen, U.S. House of Representatives**

Representative Chris Van Hollen was elected to Congress in 2002 in a high profile election that received national attention and he has quickly earned a reputation as an active, engaged and effective member of Congress. *The Washington Post* described Rep. Van Hollen as “an astute lawmaker” who has “distinguished himself as a shrewd legislative player in Congress.” *The Baltimore Sun* and *Roll Call* newspapers called him a “rising star” in Congress and the Democratic Party. Rep. Van Hollen serves as Assistant to the Speaker of the House of Representatives and is Chairman of the Democratic Congressional Campaign Committee. He serves on the House Committee on Ways and Means and the Committee on Oversight and Government Reform.

Representing Maryland’s 8th district, home to Glen Echo Park, Rep. Van Hollen has been a staunch supporter of the restoration and continuation of the Park and its diverse cultural programs. Both as a State Senator and Congressman, Rep. Van Hollen was instrumental in securing the capital funding necessary to complete the Park’s restoration. He has been a tireless advocate in Congress for the Park, including ensuring that the Glen Echo Park Partnership has the resources it needs to make this unique model of public/private cooperation in park management a success. Congressman Van Hollen is a true Friend of Glen Echo Park.

### **Organizational Achievement Award Glen Echo Pottery**

#### **Jeff Kirk, Founder and Artistic Director**

Founded over 30 years ago by Jeff Kirk, Glen Echo Pottery is a vibrant, year-round pottery school offering classes for adults and teens at all skill levels. One of several major resident arts organizations at Glen Echo Park, the pottery program is, according to Jeff, “a haven for individual creativity.” Housed in the Park’s yurt structures, the pottery program has expanded and nurtured the artistic talent of thousands of students and produced many extraordinary potters and instructors. It all started in 1975, when Jeff established himself as an artist-in-residence at Glen Echo Park and moved the Park’s fledgling pottery classes out of the old

amusement park cafeteria and into the yurts, thereby establishing a permanent home for Glen Echo Pottery. Today, Jeff oversees all aspects of Glen Echo Pottery's operations, and he also teaches beginning through advanced students, mounts gallery exhibitions at the Park, judges ceramics shows for other local organizations, and occasionally fulfills public commissions. His work has been presented in many local and national exhibitions and can be found in private collections in the United States and Europe.

## **Corporate Volunteer Award**

### **Marriott International, Inc.**

#### **Chauny Dunbar, Director, Information Resources**

Named one of "America's Most Admired Companies" by *Fortune* magazine, Marriott International, Inc. has a tradition of community service. Glen Echo Park has been the grateful recipient of this spirit of volunteerism for more than ten years. Each year, as part of their Spirit to Serve Our Communities program, over 100 employees work at Glen Echo Park on beautification projects, including planting flowers and trees, laying sod, and painting buildings; restoration projects, including rehabilitating the Bumper Car Pavilion; and assisting with Park programs and events, such as helping to install performance tents for the annual Washington Folk Festival and building the stage floor for Adventure Theatre when it moved temporarily to the Spanish Ballroom. The pride and teamwork of Marriott's employees shine through in every project. They accomplish a great deal—working together and in good spirit on behalf of the public. We are so fortunate to have Marriott International as a corporate partner at the Park.

## **Individual Achievement Award**

### **Councilwoman Nancy Long, Town of Glen Echo**

Nancy Long envisioned and led the effort to save Glen Echo Park's historic Dentzel carousel. In 1969, the carousel was slated to be sold along with other Glen Echo Park rides after the amusement park closed. With the support of Mayor Frank Corder and the town council of Glen Echo as well as Congressman Gilbert Gude, Nancy recruited volunteers and raised \$80,000 in one month to purchase the carousel. The carousel was then given to the National Park Service with the stipulation that it remain in perpetuity in Glen Echo Park and be kept open to the public to ride and enjoy. In addition, Nancy has been the driving force behind the Park's Labor Day Art Show since its inception in 1971—recruiting artists

and volunteers and currently curating the exhibitions. Given her interest in historic preservation and land use, Nancy was named the first chairman of the C&O Canal National Historical Park Commission; she was sworn in to a five-year term by Supreme Court Justice William O. Douglas in 1971. She currently represents Montgomery County on this commission. An elected councilmember for the Town of Glen Echo for 40 years, Nancy continues to be a vital part of both the Park and Town communities.

## **Special Recognition**

### **Ranger Stan Fowler, National Park Service**

Stan Fowler, also known as the “Dancing Ranger,” has been an integral part of the dance programs at Glen Echo Park since 1976. Stan’s commitment to the program and the dance venues at the Park—the Spanish Ballroom and Bumper Car Pavilion—has been extraordinary. He began running the program in 1980, when the structure and facilities of the Ballroom were still in a state of disrepair—but the dances thrived. In 1993, when engineers announced that the Ballroom would have to close for six months for repairs, Stan and a group of volunteers worked hard to stabilize the floor supports, saving both time and money and enabling the dance program to continue. Two years later, Stan led volunteers in a major effort to restore the Bumper Car Pavilion that included replacing floorboards and stabilizing the building. In addition, through his own love of dance, Stan has encouraged countless visitors to experience the joy of social dancing in the Park’s unique setting. Everyone involved in the dance program at Glen Echo Park has enormous gratitude for Stan’s undiminished dedication to the Park.

## **Master of Ceremonies**

### **Felix Contreras, National Public Radio**

Felix Contreras is a reporter and producer for NPR’s Arts and Information Unit. He specializes in coverage of jazz, world music, and Latino arts and culture. Mr. Contreras also covers a wide variety of arts and media industry related subjects, including the growth and regulation of digital downloading and media issues before the Federal Communications Commission. Mr. Contreras is a former television journalist who has covered national and international news for NBC and Univision. His extensive background in the arts includes directing a Latin jazz festival in Fresno, university lecturing on Latino arts and culture, and producing live performance programs for PBS. Mr. Contreras is a percussionist with a 7-piece Latin jazz group, and he has performed at Glen Echo Park in the past.

Glen Echo Park Partnership for Arts and Culture

## About the Glen Echo Park Partnership

Established by Montgomery County and the National Park Service in 2002, the Glen Echo Park Partnership for Arts and Culture is a nonprofit organization dedicated to encouraging public participation in all that the Park has to offer as well as preserving the Park's historic resources for generations to come.

Glen Echo Park is a community of artists, educators, dancers, and performers who share their knowledge and expertise with participants and audiences of all ages and skill levels. The Partnership makes it possible for this extraordinary community to thrive.

Each year, more than 450,000 people visit the Park for festivals, exhibitions, and social dances as well as children's theater, art classes, and nature programs.

Your support of the Gala and the Partnership helps ensure the success of all of these efforts.

---

The Glen Echo Park Partnership for Arts and Culture, Inc. is funded by an operating grant from the Maryland State Arts Council, an agency dedicated to cultivating a vibrant cultural community where the arts thrive, and also by funding from the Montgomery County government and the Arts and Humanities Council of Montgomery County. In addition, individual, foundation, and corporate donors generously support the Partnership. All programs are produced in cooperation with the National Park Service and Montgomery County, Maryland.

# 26 Years in Glen Echo Park!

(and you STILL haven't seen one of our shows?)

Come see why more than two million children (and adults) have visited us since 1983! Sure, we are a children's theater, but we are a theater first! First-rate production values go into every show, and adults often outnumber kids on the weekend. Once you see a show at the Puppet Co. Playhouse, we know you will want to tell every family you know that they need to bring their children to see us!
